3rd November 2022

“Refreshed” for the Festive Season!

Claire Benton-Evans, Children and Youth Officer for the Diocese of Brechin, writes:

Claire leads us on seasonal Children and Youth Work

The Refresh! workshop last Saturday was a lively and well attended event, full of ideas for churches to connect with local children and families during Advent and Christmas. There were plenty of interactive resources to explore and it was great to see folk from across the Diocese discussing this vital area of ministry together.

Delegates explore the wide range of excellent resources

Many thanks to Rev Canon Kenneth Gibson and the good people of St Mary Magalene’s Dundee for their warm welcome and hospitality.

If you missed the event and would like a copy of the handout (full of hyperlinks to the resources we explored) then please email Claire: youth@brechin.anglican.org

Watch this space for further events, resources and news of the young persons’ activities in the Diocese.

16 Days of Activism Against Gender Based Violence (25/11-10/12) & "Reclaim the Night" March

16 Days of Activism against Gender-Based Violence is a yearly international campaign running from 25 November until 10th December calling for an end to violence against women and girls globally. There is a full programme of events around Dundee and Angus - information about these can be found [here](#).

The annual Reclaim the Night march is on **Monday 28th November**, gathering on Magdalene Green at 18:30, and ending at the V&A with guest speakers. If you'd like to march with others from around the Diocese a group, being organised by Rev'd Roxanne Campbell, will gather outside the V&A at 18:15 and walk together to Magdalene Green. All welcome.

Even if you can't make any of the events, the 16 Days are a good time to consider the ways in which our churches are safe spaces for women and girls. Some things to consider might be:

- Contact details for support services such as Women's Aid and WRASAC being displayed on notice boards.
- Raising awareness of how church members should respond effectively to disclosures of abuse.
- Including those affected by Gender Based Violence in prayers of intercession
