Scottish Government and Historic Environment Scotland announce new "Scotland's Places of Worship" Fund.

Some HUGE news for Scottish listed places of worship as [The Scottish Government](#) and [Historic Environment Scotland](#) announce the launch of a new "Scotland's Places of Worship Fund". This new scheme replaces the Listed Places of Worship Grant Scheme that was cancelled by the UK Government in January. Up to £1m will be made available to provide VAT recovery grants on repairs to Scottish listed places of worship during this financial year. Further details will be made available when the new scheme is formally launched in October, but this news will undoubtedly be welcomed by many congregations across Scotland who were forced to delay vital repairs due to the unexpected increase in costs caused by the closure of the previous UK wide scheme. Read more about the new scheme in today's press release [here](#)

COME AND MAKE A DIFFERENCE

Volunteers wanted at our Centre of Mission

Could you spare a little time to make a big difference?

Our Centre of Mission is a place where people come for more than a toast and a bowl of soup.

We are looking for friendly, compassionate volunteers to join us and help make our Community Café a welcoming place for everyone.

☑ Community Café – Tuesdays & Wednesdays
Come and help serve refreshments, share conversation, offer a listening ear and, most importantly, help create a community where people know they matter.

KIDZ CLUB – Monday evenings

We are also looking for enthusiastic volunteers to help with our KIDZ CLUB, welcoming children and helping create a fun, safe and encouraging space for them each week.

Mondays | 5.50pm – 7.00pm

You don't need to be an expert. You don't need to have all the answers. You simply need a willingness to turn up, get involved and care.

Sometimes the greatest gift we can give someone is our time. If you think you could be part of what we're doing, we'd love to hear from you.
