St Ninian's Open Church Event Highlights Net Zero Progress

St Ninian's, Dundee welcomed visitors on 29 August for a Net Zero Open Church event showcasing its whole-campus decarbonisation project, funded by the Benefact Trust through the Scottish Episcopal Church Net Zero Team.

Representatives from churches across the Diocese, alongside technical specialists and installers, heard about the project, which includes solar panels, far infrared heating, and an app-controlled hot water system. Discussions focused on practical ways of improving energy efficiency and reducing carbon emissions in church buildings. Bishop Andrew and the Net Zero Team thanked all who attended, and special thanks were extended to Dean Kenneth and the team at St Ninian's for hosting a successful day of learning, collaboration and shared commitment to environmental sustainability.

Could You Add Your Voice to St Paul's Cathedral Choir?

Music continues to flourish at St Paul's Cathedral, Dundee, and we are currently seeking **tenors and basses** to join our friendly and welcoming voluntary choir. The choir rehearses on **Thursday evenings from 7.00–9.00pm** and sings at the **Sunday morning Eucharist**, with **Choral Evensong** one Sunday each month. Additional services take place during major festivals including Christmas, Holy Week and Easter. Our repertoire spans both the great tradition of church music and contemporary choral works.

As the choir prepares a substantial amount of music throughout the year, the ability to read music and sight-sing confidently is essential. Previous church or cathedral choir experience is welcome but not required.

If you are a tenor or bass who enjoys singing and would like to contribute to the musical life and worship of the Cathedral, we would be delighted to hear from you. **For more information or an informal chat, please contact Billy Muir, Director of Music, at music@saintpaulscathedral.net.**

COME AND MAKE A DIFFERENCE

Volunteers wanted at our Centre of Mission

Could you spare a little time to make a big difference?

Our Centre of Mission is a place where people come for more than a toast and a bowl of soup.

We are looking for friendly, compassionate volunteers to join us and help make our Community Café a welcoming place for everyone.

☑ Community Café – Tuesdays & Wednesdays
Come and help serve refreshments, share conversation, offer a listening ear and, most importantly, help create a community where people know they matter.

KIDZ CLUB – Monday evenings

We are also looking for enthusiastic volunteers to help with our KIDZ CLUB, welcoming children and helping create a fun, safe and encouraging space for them each week.

Mondays | 5.50pm – 7.00pm

You don't need to be an expert. You don't need to have all the answers. You simply need a willingness to turn up, get involved and care.

Sometimes the greatest gift we can give someone is our time. If you think you could be part of what we're doing, we'd love to hear from you.
