

## 16 Days of Activism: Ending Gender-Based Violence

From 25 November to 10 December, the annual 16 Days of Activism against Gender-Based Violence invites us to stand together against violence, abuse and inequality experienced by women and girls. Across the regions covered by the Diocese, violence against women remains a reality affecting individuals, families and communities. It may take many forms – physical, sexual, emotional, coercive, financial or online – and is often hidden behind closed doors. As a Diocese, we are called to be healthy church communities: safety and justice are a key part of this. This means listening without judgement, believing those who speak of their experiences, challenging attitudes and behaviours that enable abuse, and supporting those affected with care and dignity. For 2026, Angus Council have arranged a programme of events: click here to find out more.

## New Anglican Cycle of Prayer Resource Now Available

The Anglican Communion Office has launched a refreshed Anglican Cycle of Prayer, providing daily prayer resources from 1 January 2027 through to 31 January 2030. The Anglican Cycle of Prayer unites Anglicans across the world in prayer, with a different Member Church or Diocese highlighted each day. As part of a global family of churches spanning 165 countries, it offers a shared focus for churches, groups and individuals to pray together for the life and mission of the Anglican Communion. The updated cycle is now available on the Anglican Communion website and can be used in worship, study groups, newsletters and personal prayer.

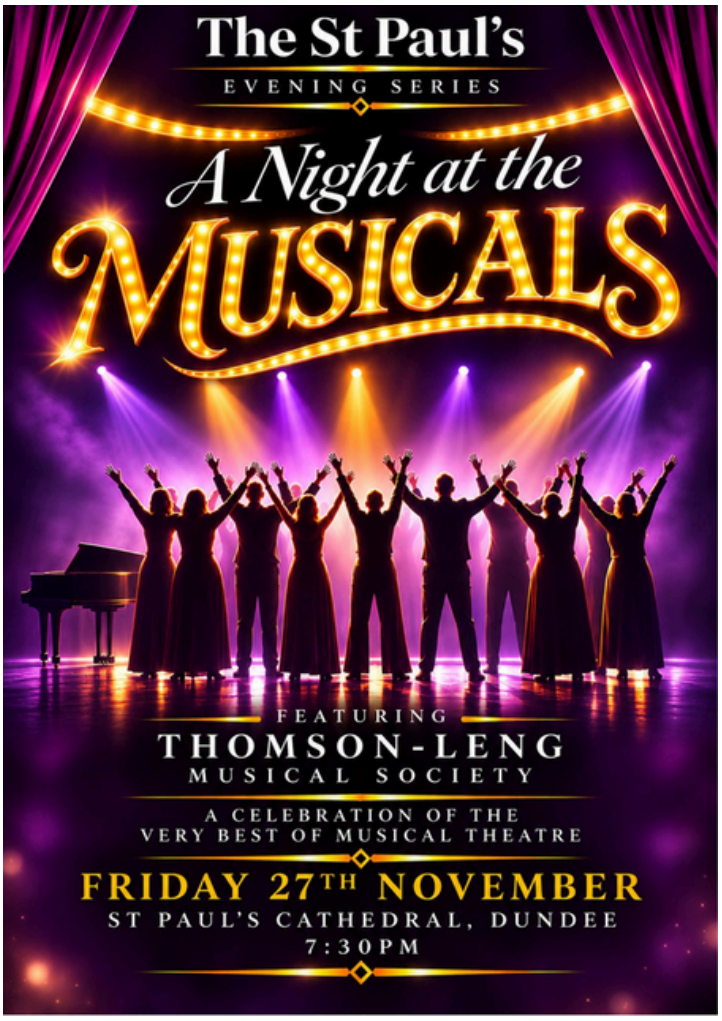

## Interested in Caring for Creation?

The Diocese of Brechin is looking for people interested in helping form a new Diocesan Environment Group. The group will support our response to the climate emergency through education, practical action, sustainability, and the theological understanding of Care for Creation. Whether you have expertise, experience, or simply an interest in caring for God's creation, we would be delighted to hear from you. To find out more or register your interest, please contact the Diocesan Office.

## Community Film Screening: The People's Emergency Briefing

Everyone is warmly invited to a free community screening of The People's Emergency Briefing, an engaging and thought-provoking film exploring the climate and nature emergencies facing our world today.
